

The Host Organization

The Saskatoon Amateur Softball Association is entering its 53rd year of operation as one of Canada's largest adult softball leagues. The SASA has 17 Men's Teams and 25 Women's teams playing within 5 divisions. The SASA operates Bob Van Impe Stadium, Joe Gallagher Field & the 6 diamonds at Glen Reeve Fields.

The SASA is instrumental in building the sport of softball locally by providing top caliber softball action and supporting many programs financially and materially. The Organization was recognized locally as the 2010 Sports Organization of the year and is well known throughout Canada and around the world as one of the most active softball organizations. The Saskatoon Amateur Softball Association is very active within the sports community overseeing the operations of the University of Saskatchewan Women's Softball program and developing a Softball Legacy Program.

Major Softball Events Hosted by the Saskatoon Amateur Softball Association

The SASA has a rich history of hosting major softball events thanks to the incredible hard-working volunteers who ensure all visitors enjoy the softball events as well as the City of Saskatoon & the Province of Saskatchewan.

2015 International Softball Federation Men's World Softball Championship

Perhaps the most successful men's world softball championship ever. This event attracted more than 50,000 fans including a record 7,800 for the Friday night game and over 6,000 more for the finals. It saw Canada win the gold medal on Canadian soil for the first time and Saskatoon became the only city in the world to host the men's worlds 3 times.

2016 Softball Canada U18 Men's Canadian Championship
2016 Softball Canada U14 Boys Canadian Championship
2016 Canadian Collegiate Softball Association Women's National Championship
2017 Softball Canada Men's Canadian Championship
2017 Softball Canada Masters Men's Canadian Championship

Plans are underway to host the 2020 Men's World Cup of Softball featuring the world's top 8 teams.
