

SASA - A RICH HISTORY OF HOSTING

The Saskatoon Amateur Softball Association is entering its 55th year of operation as one of Canada's largest adult softball leagues. The SASA has 15 Men's Teams and 23 Women's teams playing within 5 divisions. Over the years, the SASA has been instrumental in building the sport of softball locally by providing top caliber softball opportunities for its participants. The SASA also has a rich history of hosting major softball events thanks to a great number of volunteers who ensure all visitors enjoy the Softball events but also the City of Saskatoon & the Province of Saskatchewan.
